Narrative: yesterday a male with an olive complexion, short dark hair, about 6'1", possibly late 40's, with a 5 o'clock shadow came into the business claiming he was the manager of pepper's restaurant on detroit and that he was locked out of the business. he told the comp he had a locksmith on scene but needed \$37 to complete the payment and that he would pay the comp back. comp gave him the money. today he felt odd about it and called pepper's to find out if the story was true. the owner of pepper's stated it was not true and that the same thing happened to them. see incident #121040150. comp wanted it documented at this time and will call back if he sees the male again.
